CAMPING-PROFI Cooperation

You are an employer in the camping and caravan / motorhome sector and you want to distribute our range of products?

We offer two different kinds of partner concepts:

1. Commissions partner concept

You have a motorhome business with an accessories store (at least. 250 m²) and a workshop

2. Trade partner concept

You would like to include our range of products as well as our exclusive products in your sales program.

This is what you bring as our Partner:

- Experience in the sale/rental of motorhomes and camping accessories
- High level of commitment to the sale of camping accessories
- Established location with a solid customer base
- Authorized dealer of one or more vehicle brands

If you´re interested please fill in the data on the 2nd page.

Please send the business registration / commercial register extract together with the new customer master data sheet (no admission is possible without sending it).

After internal creation and activation, you will receive your customer number and the associated dealer status. This enables you to purchase for dealer conditions. We only supply commercial customers, not end consumers.

The first order must be placed in writing via the responsible sales representative and should not be less than a minimum order value of € 250 net. Shipment is made on account and must be paid within 10 days net cash (depending on creditworthiness).
