

CAMPING PROFI

CAMPING-PROFI Cooperation

You are an employer in the camping and caravan / motorhome sector and you want to distribute our range of products? Then enter your contact details without obligation.

We offer two different kinds of partner concepts:

1. Commissions partner concept

You have a caravan / motorhome operation with an accessories shop (min. 250 m²) and a workshop

2. Trade partner concept

You would like to include our range of products as well as our exclusive products in your sales program.

This is what you bring as our Partner:

- Experience in sales and / or rental and / or repair of vehicles
- High commitment in the sale of camping accessories
- Established business with fixed / solid customer base
- Authorized dealer of one or more vehicle brands

If you're interested please fill in the data on the 2nd page.

Please send your business registration together with customer master data sheet by e-mail.

The minimum net turnover of 5,000 € / fiscal year is a prerequisite for a dealer status, combined with purchasing at dealer conditions.

The first three orders must be made in writing and will be processed exclusively by prepayment.
